

Andrea L. Phelan

January 9, 1986 - October 17, 2017

Seabrook - Andrea L. Phelan, 31, of Seabrook, formerly of North Andover, MA, died unexpectedly on Tuesday, October 17th, 2017.

Andrea was born in Methuen MA, on January 9th, 1986. She was the daughter of Patrick and Linda (Dufresne) Phelan of Seabrook.

Andrea's son Shane and Andrea's family were the most important things in her life. She loved spending time at the beach with them. Andrea was a true free spirit with great creativity. “ *Andrea I can't believe you're gone. I'll always remember that crazy month we spent together last year at Thanksgiving. We realized we lived right up the street from each other and never crossed paths. Crazy! I remember singing Heaven Let Your Light Shine Down together. You put me at ease during those hard times. You called me not long ago freaking out when I was in the hospital. You were such an amazing person. I will forever miss your free spirit.*

“ Your own personal style told me so much about you: your creativity, ability to be you, your independence, your joy, your sense of fashion, the spark in the room. I will so treasure our conversations and our morning of healing yoga and of course when you watered my garden the nozzle separated and totally drenched you. You were shocked and expressed how unexpected events happened to you kind all the time. I hoped and prayed dear Andrea that you'd be one of the lucky ones and survive this horrible disease 🙏 please give my beautiful Jimmy. Warm embrace and be free together with all those who have gone before you and all those yet to go! You are now our free spirited angel and I love you. Mary Ann FitzGerald

“ I cannot believe you are gone. You were such an incredible person. I wont ever forget you, and the good times we had. I remember listening to shinedown in your expedition back in the day. I thought you were the most beautiful thing i'd ever seen, you worked as a teller at my bank. One day I came there with my little brother, when we left he said " I think that girl likes you". When I got home and went to file my papers, I noticed you put your number on the back of my deposit slip...

When I called you and we met for our first date neither of us brought cigarettes, fearing the other would hate smoking.. once we both admitted we smoked, we floored it to the nearest store to get smokes, and smoked butts on Rye beach until late into the night.

You also loved my car, you said the 3000gt VR-4 was your favorite car of all time, we drove that thing everywhere.. Good times.

You had an awesome style all your own, your laugh was contagious, your smile could light up a room.

I will never forget you, Thank you for the good times we shared. Rest in peace Andrea, you will be missed..

This message is for Andrea's family & those she held dear. My sincere sympathy & condolences. Andrea's posting is just above my daughter's, Michele Issokson Sbrega on this web page. I'm deeply sorry that these young woman have left us. I wish that Andrea's family, son, partner & clearly so many others are able to deal with their loss and grief & then able to resume joyfulness in their lives. Seeing Andrea's picture & reading her tributes tell me that she would have wanted it that way. May she RIP with her brightness remaining in your hearts. Roberta Issokson (whose daughter is listed below Andrea's posting).
