

## Andrea Marie Vibbert

August 19, 1947 - November 29, 2024

North Hampton- Andrea “Andi” Marie Vibbert of Woodknoll Drive, North Hampton, NH, formerly of Rahway, NJ, passed away on Saturday, November 29, 2024, of Cancer, leaving her dear husband of 52 years Robert Vibbert and her cherished garden and house plants.

She was born on August 19, 1947, in New York City. She was 2 months premature and not expected to survive. She graduated from Rahway High School in 1966, and her ambition was to follow in the footsteps of her grandfather and father and work for the railroad, a career choice unheard of for young women in the 1960’s. There she met her husband, and they were married on September 30th, 1972. They both retired from their railroad careers after 38 years of service and retired to New Hampshire.

She loved the outdoors; camping and hiking the trails at Pawtuckaway State Park. She was also an avid runner, a member of the New England 65 plus Runners Club. She would compete in running events in New Hampshire and Maine, anything from 5K to a half marathon. She also volunteered as a reader at many assisted living communities and did not crochet work of prayer shawls for her church.

Her presence as a daily runner on the local streets of North Hampton will be missed. Donations in her memory may be made to Rockingham VNA and

hospice. They are compassionate and caring people, that helped Andrea in her time of great need.

A graveside service will be held at Calvary Cemetery, Portsmouth, NH in the spring. Please check back for updates.
