“ To Linda, Danny and Donna, Cheryl and I are so sorry for your Mom's passing. Like your father, she was a classic icon of Hampton, NH and now they are once again together. I would like to think that I knew your Mom well and I hold the greatest respect for her. Her passing changes not only the lives of her family but, because of who she was, I do believe that it has an affect on the "old" Hampton. She will be missed by all that knew her. Our thoughts and Prayers go out to you. Blessed Be, Cheryl & Steve Bowley

“ It's difficult to move on when you know they're gone ... gone beyond our reach, leaving this mortal world behind. But they have left us memories that no one can take away, memories that will bring forth a smile and conquer the painful tears. It is time to remember them smiling, till we see them next in heavenly bliss. - Unknown author
