“ *To the family of Ann Hogan,
I was so sorry to hear about Ann's recent passing. I took several of her knitting classes and enjoyed meeting her around town, at the library and grocery store, and hearing what she was up to. She would always enthusiastically describe her latest art history class at UNH, volunteer experiences, and knitting projects. I so admired her! Ann always talked about how kind and wonderfully helpful her son and daughter were to her.
With sympathy,
Deb Smith, Hampton*

I send my most sincere condolences for the passing of Ann. I
worked with Ann for many years at the Hampton Union and also
spent time volunteering with her. Over the past few years, Ann was
always delighted when we would run into each other around town,

“ To the family of Ann Hogan,

We at the Hampton Recreation and Parks Department just heard the sad news of Ann's passing. Ann has taught knitting lessons for our department every Tuesday night during the school year ever since I can remember. During the spring and summer months she would often walk over to our office just to say hello or show us one of the many knitting projects that she was working on. It was always nice to see her smiling face. She will sorely be missed by us. Our thoughts and prayers are with you at this time.
