“ We fondly remember Anne, as a wonderful, kind and generous neighbor. When our youngest child was born, she happily brought over a most delicious stuffed pepper casserole made from an old family recipe she shared. She and Bob were always handsomely dressed and pleased to greet families walking and children riding bicycles, past their well-kept home. The flowers and Rhododendrons which bloomed brightly at the edge of their lawn were always a welcomed site, during summer. Blessings to her family, at this time.
