“ Anne was a wonderful lady. Always there for her friends and family. Remember so many happy vacations and times spent with her. She lived a full and amazing life and we are all blessed to have been given the opportunity to have this exceptional person in it.

*I went to high school with Anne. We were co-editors of the St. Stephen's literary magazine. I visited her home several times. Anne always brought sunlight into a room. We were co-representatives of our class in 1968 for a while and enjoyed keeping tabs on our former classmates. Much later, at BU, Anne responded to my request for help with a young friend of mine. She was ever a warm and generous friend.*
