“ Peter, you never met me, but Randy always talked about you. You have been in my thoughts and prayers every day. Randy helped me in more ways than I can ever put into words.  
Randy, thank you for all the rides, food, laughs, and advice. My last time with you was at your house eating pita bread and hummus and talking about our lives and Cape Cod. I'll cherish that memory forever.

“ We are grieved to have learned about the passing of Randy. She was just here on Cape Cod and we luckily got to spend a few hours with her and hear her infectious laughter. She worked hard to put Morrow Family Reunions together and we will always be grateful to her for that. We will forever miss you Randy and wish we had more time together.

“ To the Morrow and Phillips family,  
I am so deeply sorry for your loss of Randy. I have such fond memories of how fun it was when students from TTown and Pocantico joined together at SHHS and had the benefit becoming of becoming close friends with Randy. We got to know each other well on the cheerleading squad and in class; and had a lot of fun in those years. While I did loose touch with her; I was always struck by her warmth and kindness. She has the best laugh and smile. Holding you all close in my heart while you grief and cope with such a profound loss.

“ To The Morrow and Phillips Families:  
My Memories of Randy are seeing a warm smile, soft words and a fun loving demeanor . She will be missed but will live on in all the minds of those who had the privilege of knowing her. It was so nice visiting with Randy on the Cape last week. Randy, Judy & Glen VanGorden and I enjoyed a visit sitting on Sandy Neck Beach in Sandwich together. Randy updated us on how all her family was doing and the love in her heart for each of them showed through. My deepest sympathy to you and your family during this difficult time.  
Love,

“ To the Morrow and Phillips families:

*I'm heartbroken about Randy's passing and so sorry about this great loss to your families. My fondest memories are our wonderful Pocantico years together - at the pool, on the green, walking to school - and Randy's friendship in all the years following. She was smart, warm, generous, and a great listener with a wonderful sense of fun; she will be in my heart forever*
