“ rest in peace big brother.

“ I'm not sure what to say here as I've never left a "tribute" online, and I'm not even sure what it means, if anything. I remember drinking beer with Arthur and my dad on our driveway under the New Hampshire sunshine and starry nights, talking about life and joking about whatever. These moments were as easy and carefree as anything, and I enjoyed every moment. No-one knows when their moment will come, so appreciating the simple times and remembering them is so important. Rest in peace Arthur.
