“ *Another fine day here at Greystone. Sun is out, birds are chirping, but things are different now. Our friend isn't here anymore. Our friend who showed us time and time again, good people make a difference has gone on.*

*Adieu, Bunky.*

“ For those who don't know, that is our youngest grandson, Dustin, in the picture with Bunky. Sadly, Dustin passed away this past Christmas day, from a drug overdose. He had been clean for more than three years, so it was totally unexpected. It gives us some peace to think they are together again, carrying on their conversations about sports, as they used to do.

“ We will always remember, like everyone around Greystone, seeing Bunky riding around the neighborhood in his golf cart. He was always so willing to help and lend a hand when anyone needed it. That's the kind of person Bunky was! He will be missed very much! Karen and his family will remain in our prayers. May God give you all comfort.

“ I will always thank God for sending Bunky my way. God knew I needed such a loyal, trustworthy friend who would keep me out of trouble, lol. He was such a blessing in so many ways. From our dramatic and inventive snowshoe/pick up truck water meter readings during the winter of 2015 to our everyday adventures of scrounging and running around getting new homes ready, he was always up for the challenge.

*Forever in my heart and prayers. Will miss my best buddy so much.*

*Ohhhhh, thank you Deena! You know the only thing Bunky wanted to do, since being told he had stomach cancer, was to get back to work in Greystone Village and helping with errands, etc.*

“ I had the pleasure of working with Bunky at Fairview Machine for 21 years. I enjoyed our discussions about sports as well as many different topics. He would often talk about the days he coached for the Danvers Youth Association in Hockey and Baseball. one could easily see how much he enjoyed coaching and always made sure the kids were taught the fundamentals. he was a man of integrity who loved his family. It was a privilege to have known him.

*The neighborhood won't be the same without Bunky coming around the corner in the 'BunkMobile'... I don't think any of us would have survived moving in without Bunky's watchful eye, recommendations, and helpful tips about the neighborhood. RIP Bunky.*

*Karen, my deepest sympathy to you and your family. It seems like yesterday when Bunky and I ran into each other, both ex-Fairview employees. So many memories and so many hockey connections. I was saddened by Dustin's passing, too. My son played hockey with him.*

*Bunky will be missed by all of us who were fortunate to know him. Rest easy, Bunky.*
