

Ashley Kubik

December 27, 1984 - January 10, 2025

Hampton - Ashley Kubik, 40, passed away unexpectedly on January 10, 2025 in Alaska, the state she had come to love over the last couple of years. An avid hiker and photographer, Ashley would roam the Alaskan wilderness for the perfect photo.

Generous and always thinking of others, Ashley also had a great love for animals. Whenever she traveled for work, she would find a horse rescue and spend her free time caring for the animals. It brought her great peace.

A machinist by trade, she spent many years working for the Portsmouth Naval Shipyard in Portsmouth, New Hampshire. During this time, Ashley would visit local schools and teach STEM classes to students to encourage interest in science, technology, engineering and mathematics.

Born in Exeter, New Hampshire on December 27, 1984 to Larry and Melissa Kubik, Ashley is survived by her parents, her sister, Avery Kubik, her brother, Adam Kubik and his wife Amy, her nephew William, her maternal grandmother Barbara Mudge, her long-time companion, Carl Goddard, and her beloved dog, Tommie. She also leaves behind numerous aunts, uncles and cousins.

Calling hours will be from 1-3 pm on Sunday, February 16, 2025 in the Remick and Gendron Funeral Home-Crematory, 811 Lafayette Road, Hampton, NH

03842. A private burial is planned for the spring.

“ I met Ashley when I helped with a Women in Science and Engineering career fair in Northern NH. It was my first opportunity to help with STEM outreach and Ashley was a big part of making it a fantastic introduction to outreach and a fun experience.

I never got to work directly with her, but we stayed in touch and later bonded over our nearly identical dogs. I loved following her adventures that she shared on Facebook. From her photography to philanthropy, she was always up to something interesting.

My deepest condolences to Ashley's family and loved ones. I will miss her very much.

“ We were blessed beyond words to have Ashley as an important part of our horse rescue family. She was one of our first volunteers and became a dear friend to all of us. Everywhere Ashley traveled to she would ask me where she could volunteer. We are devastated by this news and only comforted knowing she has been called to heaven and we know our angels who have passed over finally have their Ashley. Sending our deepest condolences to Ashley’s family.
