

Autumn A. Lever

June 28, 1989 - June 9, 2021

Salisbury - Autumn Andrée Lever, 31, passed away on June 9th, 2021, surrounded by family, due to complications of Guillain-Barre Syndrome.

Autumn was born on June 28th, 1989, in Newburyport, Mass. She graduated from Triton Regional High School in 2007 and went on to study Business Management at North Shore Community College and Southern New Hampshire University. Autumn was a talented bartender, showcasing her skills at Master McGrath's, Tuscan Kitchen, and Family's; most recently, Autumn worked as bar manager at June Cork Pub. Autumn was beloved by all, becoming family with fellow employees and patrons alike.

Autumn was a devoted Bruins fan, rarely missing a game or an opportunity to share her enthusiasm. Autumn will be remembered for her feisty, passionate, and giving personality, always striving to accomplish her goals, and taking advantage of adventures that came her way. Danielle will miss hearing, "Linda, you're not listening to me!" on a regular basis. Autumn's legacy will live on forever in the hearts of those she touched. If you were lucky enough to know Autumn, you were lucky enough.

Autumn is survived by her loving parents, Danielle Twomey and Ron Lever; her stepmother, Tina Lever; her siblings, Joseph Mammola, Alexis Lever, and Hannah Lever; her grandparents, Ron Lever, and Denyse and Jim Nolan (who

affectionately referred to Autumn as “Ladybug” and “Poopsie”); her Nana, Catherine Mammola; her great-grandmother, Minerva MacInnes. She is the beloved niece of Stephen and Denise Twomey, Jason Twomey, Jim and Kara Nolan, and Eric and Kim Lever. She’ll also be missed dearly by her rescue pup, Roxi. In addition, Autumn is survived by numerous aunts, uncles, and cousins, as well as a wealth of extended family and friends who loved her dearly. Autumn was predeceased by her grandmother, Carol Elbert, as well as her treasured dog, Tucker.

The family would like to thank RNs Amy and Kayla, of Lahey Hospital & Medical Center – Burlington’s ICU, for their care and compassion. In lieu of flowers, the family asks for donations in Autumn’s name to Pound on the Hill Animal Rescue by clicking here (<https://poundonthehill.org/donate>) .

“ My birthday will never feel the same. I cherish every memory of sharing the day with this beautiful girl. The extra years that I got cake :) - most recently sharing the milestone of my 60th together. I loved the years that we were together the night before Thanksgiving making pudding, pizza nights, and that special call to "Uncle Fran" at work to tell him all about the first time - well it was a milestone, let's just say that. It still brings a smile when we remember the time that Autumn was "too tired to pick up my toys" at that exhausting age of four. Those times together changed the minds of the aunt and uncle who were never having kids ... no way ... but we couldn't miss a pizza night with Autumn. It breaks my heart to think of the moments that we will miss, but it fills it to overflowing to remember all of the moments that we had. A piece of our hearts goes with you ...

“ Tony and I were so fortunate to have gotten to know you at Family Chinese Restaurant.
You were always smiling, and always made time to chat, especially about our "fur babies".

Heaven just got a little brighter now that you are there, but we have lost a wonderful young soul. Rest in Peace.

“ My husband and I met Autumn at Family where she bartended. Her smile always lit up the room and we adored her so much and always enjoyed talking with her. We bonded over our love for dogs and Autumn asked me to find her a special pup. I do the adoptions for POH and showed her a picture of Roxie and she said, that's my girl! We both cried like big babies the day I put Roxie in her arms and I said now you are family to me too ❤️ 🐾

I am so so heartbroken, I watched Autumn when she was 3 yrs old in my Daycare. I was like a second mom to her at that time of her life. I prayed for her and your family. I loved her, she was so so beautiful, kind and full of life even back when she was 3 years older. She was a born helper, she always loves helping all the babies in my care. Love you Danielle. Love you Autumn. 🙏
