“ Dear Mr. and Mrs. Beckman and Albert, I am so very sorry to hear that you have lost Bambi. I did not know her, but, I know Albert from working with him at Walmart and I could tell from him that Bambi was deeply loved. I know that Bambi had a lot of struggles with her health and she sounded like a truly amazing woman for the way in which she handled everything.

I cannot imagine the depth of your sadness. Please know that I will be praying for you all as you mourn her loss and face life without her beautiful presence here on Earth.
