

Barbara A. Brown

January 8, 1939 - March 5, 2018

Seabrook – Barbara A. Brown, 79, of Seabrook passed away peacefully on Monday, March 5, 2018 at home with her loving and devoted family by her side.

Barbara was born in Portland, ME on January 8, 1939, a daughter of the late Wilbur and Alice (Thomas) Crossland.

The Crossland family moved from Portland to the family home in Seabrook when she was 5 years old. Barbara was a loving, caring and hard-working woman whose joy in life was providing for children, grandchildren and great grandchildren. When her children were older, Barbara took a job with the Seabrook Public Schools where she worked for over 34 years in the school cafeteria. She loved her job in the cafeteria and she loved watching the many children she met grow and mature. Barbara couldn't go too many places in town without being recognized as the "cafeteria lady." She was well-known in her family for her baking skills, especially her fabulous eclairs, a recipe that no one else can seem to duplicate.

Left to cherish her memory are her daughter, Deborah Moore and her husband, Mark of Seabrook, her son, Steve Brown and his companion, Jessica Brown of Seabrook, her grandchildren, Jennifer Houben, Stephanie Moore and LeeAnn Brown and her great grandchildren, Kaelea, Saige and

Danika. She also leaves her sister, Alice Smith and her husband Bill of Ipswich, MA, many nieces and nephews and many very dear, lifelong friends.

In addition to her parents, she was predeceased by her infant Daughter Diana and brothers, Clifford, Roy and Richard Crossland.

Services will be held at 2 PM on Saturday, March 10th at the Four Corners Church, 1 Farm Lane, Seabrook. In lieu of flowers, donations in Barbara's memory may be made to the American Liver Foundation, New England Division, 188 Needham St., Suite 240, Newton, MA 02464.

“ Barb was one of my very best friends, since we met in first grade at Farm Lane School. She was such a sharing and giving person to everyone. I am so grateful for her unending love and devotion to our friend Evelyn - she visited her every day. We had so much fun playing cards at Ev's house (us old hens!) Barb taught me to play Canasta when we were very young. We spent hours playing it on her bed. Her mom was wonderful, just like Barb. There will never be anyone as kind and helpful as Barb. Every time I think of her being gone, tears fall. She was special to me, as to many. I will always miss you and you will be in my thoughts often. My deepest sympathies to all the kids, grandkids, great grandkids, Alice and all your nieces and nephews who loved you like a motherthere's a void in their hearts that will never be filled. You raised a great family. I know God was waiting for you and of our friends gone before you, were waiting to welcome you with open arms. Rest in peace Barb, you earned it. If God allows card playing, save a spot for Ev and I at the table.

*“ Was so sad to hear that Barb has past on. My condolences to her children Debbie and Steve and to their children and grandchildren. Barb was what I think of as the 'ideal' GRAM. So kind, loving, devoted, and joyful. Always wearing her warm beautiful smile and always having a kind word. My fondest memory of Barb was working with her at SES and also building the Louis Nardello playground. What a fun day that was and that was who she was. Always for the kids. You will be sorely missed but he has reached out his hand to you so now go and may you rest in peace my friend. Peace and love to you all.

“ One of the most caring women I've ever met. I worked as a fill in now and then in the cafeteria with Barbara, Elaine, Rita, and Rita Knowles, and those ladies were all such a pleasure to work with. I never once saw Barbara without a smile... Even though we didn't see each other often it was always wonderful to run into her, and give her a great big hug. I love you my friend, and we will get to have a lot more hugs when my time here on earth is over... My thoughts, and heartfelt prayers go out to all the family... God Bless <3

“ I have such fond memories of Barbara when I brought my kindergarten children to visit the cafeteria at the end of the school year. She would help explain to them what it will be like in first grade, eating lunch in the cafeteria....

My sympathies to you. She was a lovely woman.
Sincerely,
Laurie Ball
