“ *Barbara was my Aunt, and as others mentioned during her service, she was always up for an adventure. One that will always stay with me, is that she took me hiking for an overnight trip. I can't remember the mountain, or many of the specifics of when and where, but I remember hiking all day with her. Then getting to the top of the mountain, and spending the afternoon and evening at the small hostel style camp playing tag with the other kids in the fireflies, and swimming in a small freezing cold pond. It is, and will always be a fond core memory of mine. I love you, Auntie Barbara, I'll miss you.*

“ *I was a co-worker of Barbara at the Lahey Clinic for many years, but more importantly I was blessed to have her as a friend. I will always remember her adventurous spirit, her easy laughter, her pride of her children and grandchildren. Condolences to all the Cross family, she will be missed.*
