They returned to Hampton in 1958, and Barbara worked for the Hampton Recreation Department leading the summer programming. She worked as a kindergarten teacher, inspiring generations of children and parents at Hampton's Centre and Marston Schools for 30 years and earned her Master of Education degree in Counseling from UNH in 1986. She continued her studies with the Marion Woodman Foundation and completed

the BodySoul Rhythms® Leadership Training Program certified to lead workshops and dream groups that she continued well into retirement. And she gained a registered trade name, Barbara's Dreamtime in 2002.

She loved the outdoors, she enjoyed skiing, swimming, and walking the beach, even venturing to boogie board when the waves were right. She and her husband Dan enjoyed sailing on their boat Merryweather, and hiking and camping in the White Mountains. They also enjoyed traveling the country, trips with their grandsons, going to Europe, along with spending time in their retirement home in Zephyrhills, Florida, regulars at the Saturday night dances. “ To Barbara's Family,

I was so sorry to here of Barbara 's passing. My heart goes out to all of you.

She was a very special person who I adored. I was her kindergarten aide at Centre School for eight years. Barb was a brand new teacher and it was my first year as an aide. She inspired me to go on and become a teacher myself. I learned so much from her about educating young children and how you treat them. I now work at Centre School again and every time I walk by our old classroom I smile and think of her and all the children she touched with such love and the great times we had.

Barbara will be remembered and missed by many.

May she walk in God's White Light.

With love,

Paulette

“ I am so sorry to hear about Barbara’s passing. She was my kindergarten teacher who touched my life early on. She was very compassionate and kind. I was surprised in my early adulthood when she recognized me at a craft fair in Hampton- we began to talk about dreams and had a few conversations over email. What a lovely soul and special lady 💜

“ So sorry to hear of Mrs. Nicholson's passing. She was my kindergarten teacher back in the early 90s and she made an impact even in that early time of my life. My mom even invited her to my high school graduation and she came! She was a remarkable woman and I'm sure she made her mark on many more like kids like me.
