“ *Barbara, I have known you all my life and many of my childhood memories revolve around you and your family. You were an amazing and wise cousin who took care of your younger siblings like a mother. Your cooking skills were well known by everyone who had the good luck to enjoy them. You graduated from high school with distinction and went on to a long successful career in business in a job that you loved. I will miss your warmth and humor and our many conversations and Emails that we shared throughout the years in spite of time and distance. Rest in peace in your new home in heaven where I know you will keep everyone around you happy and safe. All my love and blessings always. Cousin Kathi* 🌸
