“ *My heart is broken. We have had so many wonderful days together. I'm going way back many years ago. Everyday when the kids went to school, we'd get together with Judie and Luceale and we'd spend the day together laughing and talking. Sometimes we'd all do projects together. But most of all we just loved being together. We never ever had a confrontation, we always loved each other and loved spending time together. I recall even before you and Jimmy were married, Billy, me ,you and Jimmy went to the movies. We were going to go to your house after for coffee. Well the movie was so horrifyling, we didn't speak all the way home. So Billy and I went straight home. I love Barb, I'll never forget you. I could go on and on . I have so many wonderful memories. Rest in Peace Barbie. XO*
