“ *Barbro, I called to talk to you after too long a time. So sad you are gone. My Son and I visited you in New Hampshire after he went to a Hockey camp. He remembers staying with you and how much fun we had seeing Portsmouth and being in your home. You were so talented. You and I flew Flight 800 the same flight that was shot down a week later. You remembered many of our Crew were killed the next week on TWA Flight 800... May God bless You and May Your Soul fly into the arms of Our Lord and into Eternity...*
