“ *I grew up and went to Hampton Schools with Peter. Ben Arguin taught us both how to play Hockey, Coached us on all our Teams; Mites, Bantams, right into High School. He carted us all over New Hampshire and Massachusetts to play games. One year we had a good run of wins and we got full of ourselves and Ben called us "Pond Jockeys" and arranged a game in Berlin against players he knew - we got thrashed 16-1!! Ben was the only happy one in that long car ride back to Hampton!!! What a run for Ben and the Arguin extended Family - How very fortunate I am to have had Ben Arguin in my Life.*

“ Peg,

We think of you folks often. Having worked with Ben years ago when our son, Matt was first born, he would say almost every day, "Tell me a story about Matt." I would tell him the goofy antics and we would laugh and laugh. What a dedicated family man, a carrying, kind person he was.

*Peace and love be with you,

“ I have a life time of great memories from family camping trips to Shady Lane campground, all the summer bbq's on High st, building a snowwoman and the late night rides home from DQ. I could not have hand pick a better uncle. You and auntie were always there for me no matter what. You were like my second dad. I know you have found your way back home and have met up with Peter but always know you will be greatly missed back here. You are one of the best of the best. I love you very much!

“ I remember meeting Uncle Ben, Aunt Peggy, Peter and Amy (Audrey I don't know where you were) in Hampton 1973. Alan wanted to introduce me to his 2nd family before we got married in 1974. You all were so nice and accepting of me. Alan tells me when he was in the army he would always stop in and sometimes show up unannounced and you always let him stay with you as long as he wanted. We kept in touch via Christmas cards, saw each other in 1997 at Fred & Lou's 50th wedding anniversary party, then at Fred's funeral in 2006. Alan & I are so sorry for Ben's passing, he was such a nice man and will be missed.

“ Mrs. Arguin, Audrey and Amy and families... I am sorry to hear of Mr. Arguin's passing, but know he is in a better place now. I have many, many fond memories of days and nights spent at your home during "our" high school years. We (all of us girls) were always made to feel welcomed and loved with a little discipline added in I will never forget. Love to you all, Debbie Noyes
