“ *Betsy and family. I was surprised to see the obituary of Bernie In the newspaper. I had enjoyed the visit I had at the mall with you and Bernie, which seemed like such a short time ago. Bernie was such a gentleman and I enjoyed our visit anytime I saw him at the mall. My sympathies are certainly with you. Eva Bowen (a mall walker)*

“ *Bernie I am so sorry to learn of your passing. One of my fond and funny memories are the trips Betsy and I made to Newport RI to bring you home not realizing you would get called back to base and we had to take you back the next night. We laughed and had a good time. My family have good memories of you coming to the Buxton Farm and playing the piano - what fun!!! Love to your family Dottie (Dolly) Milbury*

“ So sad to read of Bernie's passing, heartbreaking for me. Less than one month ago we were sitting together at the Shop 38 Gathering like we always have through the years. We worked together a lot and without a doubt he was my best friend at the yard. Betsy, Maria and I send all our love and prayers to you and all of Bernie's family.

I have only had the privilege of knowing Bernie and Betsy since they moved to Northwood but loved them right away. Bernie always made me laugh. I never left after chatting without a big smile on my face and usually still chuckling. You will be missed so much Bernie!
