“ I first met Beth at the Lancaster Fair and told her I used to babysit her father and his brothers. They were a definite challenge especially when they tied me to a chair to play cowboys and Indians.

Beth was always fun to talk to and was so helpful to me learning to accept charge cards for my business. We always enjoyed talking about family. She will be missed. Condolences to her family❤️

“ I’m totally shocked and saddened to hear the news of Beth’s passing and I can’t actually believe I’m having to write this. My deepest condolences to Kevin, Austin, Andrew and the entire family, on losing such a great person.

Beth and I worked together for years at High Liner Foods and I truly enjoyed and appreciate the things we were able to accomplish together. Beth was hardworking, energetic, and smart as heck. She certainly kept you on your toes, and if you could keep up with Beth, you were doing well!

She loved her family and talked about them often, especially the boys which were the pride of her existence. She was truly one of a kind! God bless Beth!

“ My condolences to Kevin and the family. I am sad to hear this. She was such a fireball, full of passion and energy. We worked together at High Liner Foods for a few years. I remember attending one of her summer BBQ's where she would host like no other. May she rest in peace.
