“ I only knew Betsy Jo for a little over a year but cherished our relationship. As a member of the "Friends Care" ministry at the Durham Evangelical Church, I visited Betsy Jo many times. I'll always remember her sweet love for Jesus and how she quietly talked to Him while I was visiting. I'll miss her but look forward to seeing her again in heaven. Joan Christman

“ Betsy was a dear friend of mine. I met her here at Margeson Apartments when she lived here. We became close friends and would often have tea and Madeline cookies together in the afternoon. Sometimes, we went out to eat together or for ice cream in the summer. She looked out for me. I love you, Betsy and I look forward to seeing you in Heaven.
