“ *To: All of Betty's Relatives
From: Pris Thompson-"Sistie" Cousin*

I offer my sincerest sympathies and condolences on the passing of Betty. She was like a sister to me. We lived next door to each other during our childhood, and her mother and my father were sister and brother. Many fond memories were shared.

We played basketball on teams in Portsmouth during our H.S. years.

During the years since, we have remained in contact;even though living a distance apart.I am with all of you in thoughts and prayer,even though I am unable to attend the visiting hours and service. The memories of Betty are very lasting.

*Love,
Pris*
