“ Bonnie, Rich and I have been friends with you since before we got married while we were all going to the USO. We stayed in contact and really loved seeing you and having you over for our annual Christmas party. You brought joy, love and continuity through all our years together. We will miss you. Sleep well in the grace of God.

“ Bonnie’s sweet attention to the kids of this large family will always be fondly remembered. She always had something that she’d made to be given to them when they visited. She will be missed by us all. Rest peacefully.

“ You were the sister I never had. My best friend since 1972, we met at the Portsmouth USO. You were my bridesmaid in 1972. We've kept in touch ever since thru thick & thin. I remember when I flew out there in early 2000's that you had to take me to Newicks Restaurant. We laughed & cried over the years. I love & miss you dearly. Carol Downward
