“ *Bonnie...always a fireball of energy! Always smiling. Ever diligent supporter of the Town of Hampton. She dedicated herself to her husband and her home. She could mow the lawn or snow-blow her driveway and still have the energy to prepare a wonderful meal for Bob and invited friends. Ever present in Town affairs. Lovely spirit.*

I liked Bonnie even though I never met her. I thought she made a very good Selectman. She stood up in what she believed in and expressed herself well in the face of Board opposition in many instances. She was not a member of the good ole boys" don't rock the boat club. I will pray for her .
