

Bradley B. Bailey Sr.

March 19, 1943 - July 11, 2014

Hampton – Bradley B. Bailey, Sr., 71, a lifelong resident of Hampton, died Friday, July 11, 2014 at the Exeter Hospital with his wife and children by his side.

He was born March 19, 1943 in Exeter, the son of the late Birlem and Edna (Smith) Bailey.

Brad was well known for his creative skills; he had the unique ability to fix almost everything. He was a very artistic man as evidenced through his many Yard Art creations that adorned his property. Brad was retired from the Hampton School District as a school custodian and had previously worked in the body shop at Scott Pontiac and Wayne's Auto Body and also operated heavy equipment for Lessard's and Fritz Construction. Brad excelled at small engine repair. He was also a skilled boat builder and was a member of the Hampton River Boat Club. He was an avid hunter and loved fishing with his wife on their boat.

Above all else, Brad was a family man and he loved spending time with his grandchildren and great-grandchildren. Brad will always be cherished for his sense of humor and the twinkle in his eye. He was a loving husband, father and grandfather and he will be sadly missed by his family and his many friends.

In addition to Paulette, his wife of 51 years, Brad is survived by his son, Bradley B. Bailey, Jr. and his wife Wendy of Hampton; his daughters, Justine Janvrin and her husband Jason of Seabrook and Correen Hale and her husband Steven of Epping; his grandchildren, Bradley A. and Ryan Bailey, Nicholas Janvrin and wife Megan, Jennifer Cousins and husband Nate, Steven Hale, Jr. and Crystal Hale and partner Tiffany Black. He also leaves his adored great grandchildren, Dustin, Cole, Molly and Bentley.

At Brad's request, all services will be private. Memorial donations may be made in Brad's name to the NH Fish and Game Attn: Business Division, 11 Hazen Dr., Concord, NH 03301.

“ *Dear Paulette,*

I am so sorry for your loss.

I met Brad while working at Marston School. He was kind and helpful, going about his work with a smile, the occasional prank and, sometimes, a story to tell.

“ In the week Brad's been gone we've noticed a 50% drop in traffic going by our house! I hope wherever he is there's something to drive and no shortage of gas ;-) His sense of humor and mischief will be sorely missed in our neighborhood, where he's been a fixture for 40 years. Another good local gone too soon; hugs to Paulette and family from the Tiltons.

“ Paulette and family,
I'm glad I talked you into going out with Brad 50+ years ago. The two of you created a beautiful family and when he talked about all of you, his face lite up with love. His passion for the ocean, outdoors, riding motorcycles, humor, creativity was shared by both of you. He was not only your husband but your best friend. He will be missed by all.

“ *To Pualette and Family,
We would like to express our sincere condolences to you and your
family. The few times that we have had the pleasure of being in the
company of you and Brad at Justine's gatherings, I reflect back on
the many laughs and chuckles that we always had; particularly,
when Brad & I were off to the side exchanging a few stories or jokes
while enjoying an adult beverage. Although we had met only a few
times, I always enjoyed his company, as he was always a "down to
earth," genuine person with a sense of humor who I am fortunate to
have known. God Bless

We are feeling the loss of a sincere friend, neighbor, "partner in crime" for Stacy. Brad was a "gem" ... he knew how to fix anything and was always willing to help out or join in whether it be work or fun and always with a smile and that twinkle in those blue eyes. Many memories with Brad were made at our home working on cars, tractors, lawn mowers, boats, cutting wood or just hanging out. Brad was a man who will be highly spoken of often at our home. Goodbye dear friend you will be missed. XX OO
