“ Bradley was our very Dear and Special Friend. We will miss his stories about the "Swells", his Beeping of the Horn on his way past our home in the mornings, his calling and asking "Where is He?" "I'm a very important Person, I can't be kept waiting!" Brad's ever joking manner will be a void. As I approach my "Big" "Forty-Twenty" I will be thinking of "BRAD-LEE" God Bless you Brad. Your name is in "The Bowl" of my "Special Intentions" Debbie and Craig Schreck
