“ I will never forget telling Brenda that my son and daughter-in-law were upset because I put the Pampers on backward on our (first) grandson. "Oh," she said, " I've done that many times!" Best way to make a new "Nana" feel good! Brenda was a lovely lady and always dressed to the 9s! I will miss meeting her in Talbots. Our sympathies go out to Gerry and family. She was one of a kind.

“ Brud and I first met Brenda and her family in 1986 when we were all living in Bedford, NH. Our friendship was instantaneous!!!
In 1997, Brenda and Gerry invited us to play golf at Wentworth by the Sea. We fell in love with the course and the area. One year later, the four of us decided to make Portsmouth our home and we lived next door to each other for the next 14 years. While we moved to Wilmington NC in 2012, we will always cherish the many wonderful memories of times shared with Brenda, Gerry and their beautiful family.

For me, Brenda was the most selfless, caring, thoughtful, giving and loving woman I have ever met and I have no doubt that she is now leading the choir in heaven!

We send our thoughts and prayers to Gerry, Lisa, Gerald, Eileen, Shawn, Christopher and all their children,

With love, Jean and Brud

“ Gerry, Gerald, Lisa, Shawn, Eileen, and Chris - as young children, Adam, Lucas, and I could think of few greater treats than to arrive at the Kelley residences in Peterborough, Hampton, and Bedford only to be so warmly enveloped by Brenda. We watched in awe as she managed you all bopping around with your activities and found it electrifying to be a part of the Kelley household for a few hours. As a Mom now, I know how giving and open she always was and how her most tender moments were experienced in the joy each of you provided. I am most grateful to have shared her later years on the seacoast where I remember exactly each gift she sent for my three kids and the warmth felt when I saw her with your Dad in a pew a few rows in front or in back of my family. We mourn with you deeply and pray for grace in your lives as you hold tight to all of your memories.
