“ *I was so sad to hear that my dear friend from a lifetime ago has passed away. People come and go in our lives, but each one leaves a footprint on our path, and in our heart..... some leaving you better for having known them, this was Brett. Brett You were a good friend, and you made a positive impact on my life. My heart smiles when I think of you, and always will. I am sure you continued being you, and left this world better than you found it. That is all anyone can ask of us. RIP my friend.*

“ *Brett was a sweet and giving man and will be missed by many, including the many abandoned cats he helped and befriended. SAFER has lost a loyal volunteer. Rest in peace, Brett, we will take care of your furry friends here on earth. The ones in heaven will be so happy to see you!
Our sincere condolences to Carol and all of Brett's family and friends.
