“ *Just heard of Brian's passing. Sorry to hear. Last I saw him he was unregulated on his insulin and I'm sure he was having some turmoil issues due to that. I'm sorry I never had a chance to see him get through that. I was hoping to see him again. I saw potential in him. He was a terrific landscaper, a great chef and a good friend to me. He made me feel special always treating with respect whenever he would call me and helped me out while visiting Bob.*

*My condolences for your loss.

“ Dear Carol, Dave and family,

*I just heard of Brian's passing moments ago and so sorry for your loss. Brian and I were good friends since the 90's and kept in touch over the years while he was living in CA visiting him on occasion and he even made a couple trips down to see me here to South Florida. He was a good man and I know he's in a better place at peace....*

*My deepest condolences go out to you all and my prayers are with you.....*

*Take care and god bless...*

*To my good friend Brian,*

*I will miss you..., your humor and all the good times we shared.*

*Yours Truly
