“ Just found out today after not hearing from him in quite a while. i found this on line. Wow. What a tragedy. He was a great friend who i used to play darts together on leagues and for fun at our local establishments. He was a ball of laughs and with his quirky sense of humor kept you in laughter all the time. he was a man of his words. He was a great friend. Always had to shorten phone calls when the Bruins are playing. Loved that guy. Many memories from the Golden Garden and Jittos. Played darts with his sons too who are good people. Many sorrows and condolences to the family and hope they are all doing well today...BOBO...
