“ *My love, My thoughts, and My prayers are being sent along to give you added Strength to move on.
Most importantly, take this reassurance I'm giving you that Bruce is now, finally at Peace.
He feels no more insecurities, or inner pain or feelings of constant sadness.
Mum, take one day at a time, and the days, will, in time, get bright again. Love you Always ~*

“ Sandy my heart is broken for you... A mother should never have to go through this once, let alone twice. I'm praying for you to find comfort in the Lord and know that one day we will be with our children again, happy and whole, no struggles like there are here on earth, but only pure love forever and ever. My thoughts and prayers are with the entire family at this difficult time. Bruce was good people!

Bruce, I remember the love your father had for you. The giant smile on his face whenever he saw your face. His worry for you out of so much love. The fierce protection only a father with so much love in his heart had over you. The funny banter back and forth between both of you. The great memories that Hunter shared with you and your Dad. My love for you is equal to that only of my own Son. The pain is immense but I can tell you with the love and support of family and friends it can become bearable. I can say, "I understand" because I really do. I hope you can feel my arms around you at all times holding you tight. My deepest sympathy to the rest of your family your Dad left behind. I love you my son. Mumma V, Tom and Hunter's loving memory. ❤️🥺
