“ *I learned so very much from Bruce. He helped me learn medical sales when I first started, and that it isn't sales, its being there for people, and helping those that help us. He was a legend then, and was and always will be the "Candy Man".
RIP Brucey*

“ *There have been many great golf stories and times with Bruce. beginning with Abenaqui, and then golf in many places to include Winter Haven FL in the winter, and Cape Cod in the spring snow. The group of golfers all shared a common friendship and a respect for each other and the game. Bruce will be missed, but his memory will remain for all his friends.*
