“ *My thoughts and prayers are with all the family. I lived in Seabrook for sixteen years; these were the years that Caddie and Ollie were at the Post Office. One of the "best things" in life is having wonderful friends like them. I will always cherish the memories.*

“ Aunt Caddie, Everything happened so fast, and I truly believed we were going to have more time together. I will always be grateful for that last Thursday when we went though family photos and talked, and laughed a lot. As much as we will all miss you I know you are happy to be with Uncle Ollie, family, and friends. Remember when my time comes meet me at the gate. Love your niece, Elizabeth

“ My heartfelt condolences go out to Catt's family. Sometimes the littlest things in life can make your whole world change. Eight years ago Catt encouraged me to join and become a host in the Wizards. She taught me everything she knew about the league, encouraging me to eventually become the Head Admin. She was my rock and had more faith in me, than I had in myself. Our friendship flourished and we shared many stories and laughs over the years. My heart is so heavy with sadness right now, but at the same time thankful that she came into my life and became like family to me. I was blessed to have found a wonderful shining star who was able to fill me with confidence and joy. Rest in peace my dear friend, you were loved by so many and missed terribly.

“ Caddie was one of my favorite people. She had a true light of kindness and the world has lost a wonderful woman. She and Ollie used to take my grandmother, Charlotte Eaton, on trips with them and they both adored her. When she and Ollie were passing through Virginia several years ago when I lived there, we all got together along with my sister and had dinner. She kept in touch with me by email, and sent sweet e-cards to let me know she was thinking of me. I feel terrible that she is gone, but I know that she and Ollie are dancing together again tonight.
