“ Uncle Cal,  
You know, I've only met you about 3-4 times in my life time, Most of those times I was a little kid with my brother, Zander. I know Zander barley remembers you, But I know I do. I remember when we use to go to your shop and you'd have the sweetish fish there and Me, Mom, and Zander use to eat them all, and mom would take handfuls with her back to the car for us to eat. I bet your were a really funny, nice and awesome uncle if I were ever able to meet you, I wish you could see my step brother and sister mom had, there names are Sydnee and William. Their twins, like you and mom. The last time I saw you was when my friend ( well not a friend anymore, ya know because of school drama, haha) Taylor and I were on our way to go see the 1D Movie, 'This Is Us' I remember being so excited because I got to see you again because you know, Your my uncle. You had looked a bit different thou, your hair seemed darker. I really wished we could have been able to just talk.  
I hope you know that we all love you,  
Me, Mom, Zander, Nana, Grampa. and Uncle Troy.  
Cam you say Hi to my Grampy for me up there? I dont know if you've met him but yeah..  
Love You.
