“ *I'm so sorry for your loss. Carl was an all around nice guy and was my bridge mentor. I don't think I'd ever have had the light bulb click regarding reverse bids if it hadn't been for him. He was so patient in explaining what I was doing wrong at the bridge table and my game vastly improved because of his efforts.....He will be missed.*

“ I often think about the good times Mel and I had with Carl at bridge. Carl often commented about our skill level and that the better play would have been to We always told him we weren't interested in beating the field but just him and he couldn't figure out our bidding or style which was 45's. I'm sure he and Mel are sitting at the table waiting for me to join them.

I often saw Carl on the golf course during the Summer Classic cheering golfers on.

I do miss you Carl.

Rest in Peace my friend.

“ Dear Mrs. Conti,
I am so sorry for your loss. Mr. Conti was one of my favorite members at Abenauqui CC. He was a daily fixture in my life for so many years and always made me smile. I will never forget those card playing/golf days and the sweet memories of that era.
My thoughts are with you and the family during this difficult time.

“ *Hi Chrissy. So sorry to hear you lost your man. And Carl was all of that. I remember hearing you refer to him in conversation once as "My Carl". I thought at the time that was rather endearing.*

It took me a long long time to get Carl to play duplicate with me. We played on a Friday in Manchester at that smoky Elks Club. We had a great game and came in first. I couldn't wait to play with him again but unfortunately for me and him I believe that was the last time he played duplicate bridge as his Parkinson's kicked.

Even though we had a few run-ins I still remember him with fondness. His bark was always worse than his bite. I really enjoyed the visits we had at your home

I'm living full time now in No Carolina and dearly miss all my friends. Condolences and best wishes to you and your family.

“ Carl particularly had that twinkle in his eye when he gazed at Chris! They were a perfect couple during our friendship in Batavia, New York. I am visualizing the joyous reunion he and Paul are experiencing in heaven.

“ Know that my prayers are with you and your family as go through this difficult week. This prayer helped me through a loss once; I hope it helps the entire Conti family:

*Eternal rest grant unto him whose earthly life has past. Perpetual light shine down on him. May he rest in peace at last. Eternal joy grant unto him whose sufferings now are through. His pain and illness finally gone, his heart and mind renew.

“ Dear Chris and family,
We are saddened to hear of our dear cousin Carl's passing. So many loving memories come to mind at their Wakefield home. I can hear his warm voice and laughter. I remember when he had his license and took us all for a ride. Oh it was wonderful. Love and prayers to you at this very difficult time. Always in our hearts. ❤️
