“ *Carla, you definitely were a spitfire and nothing, I mean nothing could slow you down. When you got sick we all new that the outcome was not what we wanted. May you rest in peace, fly high with Al my little spitfire. I've missed since that horrible day. I'm blessed to have had the pleasure of meeting you, taking care of you and you taking care of me...as you would tell me and the "I love you's" I received from you...*

*God bless my sweet girl,
