“ There are not words to express the saddened felt by all who knew Carol. She was full of life and adventure, she loved Hampton, and all the snow birds she came to know. She will be forever remembered as a kind, loving women with a drive to succeed for her family. I was honored to know her and blessed to call her my friend.
May her memory live on in your hearts.

“ To Len and family. I can't imagine how you are feeling at such a quick loss to a beautiful loving wife mom and friend to so many. It is a shock and a huge loss for hampton and those who traveled to hampton to go to Coffee Break, when in town.
I will always remember her passion for life and those who entered her shop. She and Lenny were a remarkable pair. May God grant you all peace and may you find the energy to be a light to others as she set that example.
