“ *Gordan and Terry, Meghan and Lauren, we are so sorry about your loss. The very few times we saw your mom Gordan she was always so happy watching the goings on, you could see in her eyes how proud she was of the family you created. She will always be with you in memory. There is nothing better than the memories you've shared with family and friends. She would want you to continue to be happy making memories with your family and friends. We love you all so much. May god watch over you all and may you keep God close to your heart. Ed and Holly DuVal*
