

Cathryn "Kate" Hollingworth

April 19, 1984 - April 19, 2014

Cathryn "Kate" Lyndsey Hollingworth, 30, of Ormand Beach, Florida, passed away unexpectedly on April 19, 2014 at her home. Kate was born in Boston, MA on April 19, 1984 to Kenneth and Carol Hollingworth.

Kate graduated from Winnacunnet High School with the class of 2002 and continued on to study at Elon University in North Carolina. Kate was fun-loving, creative and unique. She was fiercely loyal and protective of everyone she cared about including many friends and family members. From a young age she had a passion for cooking and was always creating new recipes in the kitchen to try out on her father. Kate was an animal lover and was never far from her dog, Harley.

After the death of her mother, Carol, in 2009, Kate never hesitated to move to Florida in order to help her father and become his loving, daily caregiver. Kate ensured that her father's needs were being met, allowing him to continue to live in Florida and continue activities that he enjoyed.

Kate is survived by her father Ken formerly of Ormand Beach, Florida, now Hampton, New Hampshire; her sisters Shannon Robinson and her husband Andrew of Dover-Foxcroft, Maine, and Kerry Quinn and her husband Paul of Hampton, New Hampshire; her long-time boyfriend Matthew Fallon formerly of Ormand Beach, Florida, now Dover, NH; her nieces and nephew Grace, Ava,

and Olivia Robinson and Benjamin and Caroline Quinn; her beloved dogs Harley, Bruschi and Roxy and many other family and friends.

Kate is preceded in death by her mother Carol Marie Hollingworth.

“ It never occurred to me that Kate's first name was actually Cathryn...I always knew her as "my cousin Kate." There are a lot of things I don't know about Kate, but there are also a lot of things I do know. For one, she had a magnetic sense of humor. I can't give specific details because most of my memories are from years ago, but when I reflect on it, she always had me laughing. Two, she was very cool. I remember staying up in Hampton for a week when I was around 14 and by the time I left, I was thinking "man, I am nowhere near as awesome as I think I am." Finally, she loved her family very dearly...it was just always something you could sense whenever you were around her. I regret that I cannot make the trip up, but Kate as well as the rest of my family will be in my thoughts.

With love,
