“ You've got your wings my girl, I know your truly happy now, and none of stuff that has been pressing you down for years can ever take even one more second of your happiness away now. I was thinking about when I decided it would be a good idea to go on that facebook Atheist site and try to convert some of them to Christianity and they all started giving me a hard time, and you came to my rescue. I'm going to miss our facebook chat's, but I know you are at peace, and I will see you again one day... Give my Kelly a big hug for me, Love ya, Liz
