“ *My memories of Charlie are mostly related through my late Dad and the fire department...I remember the two of them running the most popular gaming wheel..."the Big 6" wheel at the Fremont Fireman's annual carnivals every Summer. Those were fun days. I didn't know him really well,but I did see him as a very kind,gentle man who loved his family & friends very much.....although he may have left many years ago,he will always remain a "Fremonter" in the hearts of us who grew up while he did live there. My sincere condolences to Joan,Glen & Diane....he will be missed*

“ *Sending sincere condolences to the Hutchins Family on their loss of Charlie. He will be remembered here in Fremont for leading the effort to rebuild the historic Spaulding & Frost Cooperage in 1974 and achieving that goal in August of 1974...the 100th Anniversary of that Cooperage. He was also the first person to mention to this town historian the B-52 Bomber Plane Crash in Spruce Swamp in Fremont back in 1959. Charlie's enthusiasm for life will be genuinely missed. God Bless Joan and the family at this sad time.*
