“ *I am so sad to hear about Charlie. Like others have said, he was the highlight of going to the transfer station. He was a kind man with a dry sense of humor that always made me smile. He will be deeply missed by many.*

“ *Charlie was a fixture in town, always a smile and helping. When I was about 10 and delivering newspapers on Post rd he gave me his old hunting vest to wear so cars could see me better. When I joined the Volunteer FD he was always there helping and teaching us "new kids". Great Man and will miss him.*

“Charlie was always a bright spot in my week at the transfer center. He was positive and caring regarding my husband’s chronic conditions. “How is your husband doing” was the routine conversation. And we ended the short conversation with some laugh about life.
His joy of life and his love of family was evident. He will be sorely missed. ❤️

“He was the nicest man you could ever meet. He always was the highlight of my day when I went to the transfer station and always made sure to give my little girl Ava and I tootsie roll pops. It meant so much....just that small act of kindness every week brightened our lives for the better. We will miss you Charlie but will always remember you.

“ *Condolences to the family. He was a good man. I'm sure he's with his Love Joyce.*

Charlie, again, I thank you for being my friend and looking out for me when needed. Thanks for keeping it light at work and all the laughs 😊. And of course all the stories.
