“ Chuckie,

Blood may have made you my "cuz" but my heart made you my brother. Memories as far back as horseback riding when I was like 5 to my last visit just 3 weeks ago. I am so blessed and thankful to have had you in my life. Your smile, love, compassion, laughter, support and sincerity were above no others, Your death has left a huge void in my life, but I know you are now with Grandpop, my mom, Kathy and Cindy. I promise that I will do whatever I can to make sure that I am there for whatever your family needs. Jenn and the girls know that they are "stuck" with me. Your memory will live on within us. I miss you more than I can explain but I take great comfort in the few moments that we were able to talk the night before you gained your wings. Thank you for being you and for being such a huge part of my life. I love you cuz!!!!
