

Christin Louise Rowe

December 19, 1967 - January 15, 2025

Hampton - Christin L. Rowe, 57, of Hampton, NH, passed away peacefully on January 15th, 2025, at Lahey Hospital, Burlington, MA. She was the beloved daughter of the late Robert A. Rowe and Donna Monti. Christin was born on December 19th, 1967, in Beverly, MA and raised in North Hampton and Kingston, NH.

Christin graduated from Sanborn Regional High School in 1986, where she excelled in basketball and field hockey, making the Twin States field hockey select team her senior year. She continued her education at Dean College, where she played field hockey. After working in the restaurant industry for several years, Christin went on to attend cosmetology school and co-owned True Colors Salon in Greenland, NH, where she specialized in women's cuts and colors.

Christin was known for having a big heart and quick wit. She was a loving, compassionate, and loyal person who laughed often. Family and friends have always played a significant role in her life. She especially enjoyed spending time at Lovell Lake with her niece, McKenna, and nephew, Andrew, who were so special to her. Christin also cherished the lifelong friendships and adventures she shared with Alison Egan and Don Severance, from whom she learned so much.

Christin is survived by her mother, Donna Monti, and her stepfather, Guy Monti of Portsmouth, sisters Kelly Sherrill and her husband Tim of Hampton, NH, Pamela Watson and her husband David of Herndon, VA, and her brother, Rob and his wife Julie of Sun City, AZ, along with many aunts, uncles and cousins.

“ *I can't believe I'm reading this. I am so sad. I haven't seen Christin in years and I hate that life does this. We hung out a lot during our school years being neighbors. She was a good friend. Donna, Kelly, Pam, Rob and families I am so sorry and thinking of you all during this difficult time.*

“ My beautiful Kristin 😊 This is a total shock to me and I feel so very sad! We go back a long way all the way back to the original Ronaldo’s on Hampton Beach! I thought you were the silliest funniest craziest girl ever and we all had so much fun working together, we became a small family💕 I came in towards the end of Ronaldo’s on the beach and moved up to Northampton. Have fun continued, and of course, a lot of hard work, but we all had a special bond. We always found time to do fun things when we weren’t working we ski together, which was always a blast and had fun cookouts and outings, but I always knew if you were there. It would be fun and silly, two of my favorite things😘 not only did we work together, but we were roommates for two years on Winnacunnet Road and Esther’s house! You are a great roommate, except for when you would steal my food when I was sleeping and leave a note in the fridge, saying the devil made me do it👿😂😭 I will say you always replaced my food😊 you sure could make a great fire in the fire pit outback, which border the beautiful marsh. We had a lot of fun times out there a lot of beautiful summer nights and cookouts🔥 Over the years We kind of lost touch, but I always would think of my Christian Rowe, and wonder how you were doing? I would always say a little prayer for you and thoughts of you would always put a big smile on my face😊 I just found out today about you moving on to a better place a place where you will run in fields of flowers and beautiful butterflies🦋 there will be no more sadness hurt fear, only pure love and everlasting life forever and ever🌈 so I’ve decided that I’m not gonna be sad that you’re gone even though it does hurt my heart because you’re a great and fun person! I have chosen to put a big smile on my face. Thinking of you and your beautiful smile. Now you’re free and at home for eternity we will miss you, but we will see you again someday🙏 thank you sweet girl for laughs and love you shared with all of us💕 please know that you were very loved down here on earthand that you made a really nice imprint on our hearts💕 but now you are loved forever, and ever and ever with our sweet beautiful Jesus✨ love Julie👩🏻
