“ *Chris was my favorite person in the whole world. I am so lucky to have known him and thankful for all the years of friendship and laughter we shared.*

*19 years of friendship was just not enough. My entire being aches from this hole in my heart. He was not just my friend, he was my baby bird, my chin rest, my brother. I feel like I have lost my soul mate.*

*Thank you, Rog & Sue for raising him to be such an incredible man and for always including me and making me feel at home in your home. My heart is heavy for you both. I wish that there were words to ease your pain and heartache. I love you so much.*

*Chris, I think you were 13 when Jim & I had the pleasure of meeting you. You became our 3rd child ! Your beautiful smile , love of family & love of music and life itself was obvious. There is such a void in all of our lives with your passing . Your nephews talk about you and have memories that will live on even with your physical absence, miss you buddy, 🥺 Jim & Debbie*
