“ Clarence, my "B.B." and Priscilla, my sister-in-law were examples of how life should be lived and shared. Now shared together in Peace. God Love!

“ I always treasured what he said to his brother Charlie, my husband, as we danced by each other at our wedding reception. He smiled at Charlie and said "I think you found it this time." Those words made me feel very, very welcomed. I wrote his comment down that very night . It always makes me smile.

“ With deepest sympathy from the Henry and Phyllis Marsh Family-- His legacy is like history book---he was great example of the "Greatest Generation" --Murph" and my dad were good buddies--as Stu can attest--they had their own sense of humor. He will be missed by all that had the pleasure of meeting him. God Bless Murph
