“ *Grandma, I miss you!*

I think of the joy you brought us and the love you shared! I think about the fun we had and times we spent shopping, eating chocolate & pizza, and just hanging out chatting! I think of the advise you gave and knowledge you would share. The warmth that always filled the room whenever you were there. I thank you for my love of all things tiger & leopard and I thank you for my love of all things chocolate! You will forever stay in my heart and be a part of me! Please give grandpa a hug and kiss for us!

*Love you!

“ Great grandma even though you have physically left us you are forever with us. We were so blessed to have had the best great grandparents let alone the best great great grandmother to 5 lucky kids! We will forever miss you but know that one day we will all be back together eating chocolate , dressed in leopard print and wearing plastic bracelets laughing. 💕💕🙄
