“ *I first met you through my step-brothers(Jack and Dave) when you were much younger. You were very "rambunctious" back then. Which is not a bad thing. Every time our paths crossed we shared a nice conversation. You always asked how Aylah was doing and what I had been up to, etc. We would shake hands and part. And I would always think afterwards, "He's a good kid". You had a very big heart which a lot of people will miss. My condolences go out to your friends and family who love you dearly.*

“ Colin,
We have many memories together...since the day I met you you were always so energetic and happy. I will always remember you dancin. Every chance you got. That time I had pop lock n drop it as a ring tone you made me play it over and over in the Winnacunnet library so you could dance. Just that memory alone I will never forget. Rest in peace and please watch over and guide the boys and everyone thru this. xoxo

“ *We are so sorry for your loss. Being a recent mother to a son myself; I can not imagine the pain you are feeling with losing a child so young. Though we didn't know Colin as well as some of the others; the time we did spend with him was always positive. We remember his upbeat personality and surely his big smile. Our condolences and prayers are with you during this difficult time. We hope you can find peace and comfort in his memories.*
