“ I am heart broken for the whole family 💔 Colleen was one of the nicest people I've ever known, she always had a kind smile and always made me feel special when we would bump into each other. I only wish I wasn't out of town during the service so I could give my condolences, especially to her Dad, who I knew and the apple did not fall far from the tree ❤️

“ Most of my childhood and high school memories include Colleen McGowan Cote....from kid birthday parties to soccer games. She was such an amazing athlete! I am so grateful we reconnected last June at our high school alumni gathering when she came to hear me speak. It meant the world to me for her to be there. She was so encouraging and kind. Praying for you all as you grieve. Much Love, Cindy Bauer
